

Hello, I'm

# Maggie Jamerson

Maggie Jamerson, a licensed educator and local Memphian. In June 2021, she founded Remarkable Readers, an initiative that has helped over 350 students improve their reading and math skills by 4-6 months in 8 weeks using evidence-based practices. She also wrote Only Oliver. It is a book about a boy who thinks he is only one who doesn't know how to read...but is that true? Come find out!
