Upon submittal of this application, please include a plot plan of the lot that depicts all structures on the premises, setbacks, easements, any flood hazard zones on the property, required fencing, utilities, stormwater and drainage features (such as swales), hardscape features, landscaping, impervious surfaces, pool deck, retaining walls, pool equipment, swimming pools, hot tubs, and other significant elements. The plot plan shall be dimensioned and scaled accurately for these elements. All of these elements shall be on one plan sheet to show their relationship to each other. Elements should be labeled existing and proposed.

**\*PLEASE CHECK THE FOLLOWING\***

- I acknowledge that it is my responsibility to provide and maintain a secure barrier or temporary barrier around my swimming pool that adheres to the Currently Adopted Swimming Pool and Spa Code during all phases of construction and after.
- I acknowledge that a separate fence permit may be required.
- I acknowledge that the swimming pool owner is aware of the responsibility to provide and maintain the pool barrier including fences, gates, door alarms, a water surface alarm, and will keep the swimming pool clean, sanitary, and in good repair for so long as the swimming pool exists.
- I acknowledge that the pool discharge water must be disposed of to the sanitary sewer through an approved deep seal trap.
- I acknowledge that it is my responsibility per State Law not to alter the natural flow of lot drainage or to in any way create a negative impact on any adjacent property owner by the installation or placement of a swimming pool.
- Full compliance with the Town of Collierville Erosion and Sediment Control Ordinance must be maintained during the construction of this swimming pool by the installation and maintenance of silt fences or other erosion control measures.

In making application for any type of building permit, the applicant states that the information given is, to the best of their knowledge, true and accurate. It is understood and agreed by the applicant that any error, misstatement, or misrepresentation of fact, either with or without intention on their part, such as might, if unknown cause a refusal of this application or any alteration or change in plans made without the approval of the Building Official subsequent to the issuance of any building permit, shall constitute sufficient grounds for the revocation of such permit.
